

Executive Order No. _____

**Controlling COVID-19 Transmission and Mortality
by Reducing Certain Populations in State and Local Custodial Facilities**

WHEREAS on [DATE], I proclaimed a State of Emergency to exist in [STATE] as a result of COVID-19 (“virus”), and;

WHEREAS the virus remains an urgent threat to the public safety and welfare, and immediate efforts to control the spread of the virus, reduce and minimize the impacts of infection, and otherwise mitigate the effects of the virus are needed, and;

WHEREAS an outbreak of the virus in [STATE’s] jails, prisons, juvenile detention facilities, private detention facilities contracted with the State, and all other correctional facilities (“custodial facilities”) risks the rapid transmission of the virus, will significantly prolong the time needed to bring the virus under control, would overwhelm existing medical capacity inside custodial facilities, and would be potentially catastrophic for the people incarcerated in state correctional facilities who disproportionately include populations the Center for Disease Control has identified at increased risk of morbidity and mortality from COVID-19, and;

WHEREAS the [STATE’s] dedicated law enforcement and correctional officers and other staff protecting our [STATE’s] communities and working in custodial facilities deserve the utmost protection from exposure to the virus, and;

WHEREAS the reduced intake of people in correctional facilities is compatible with prior Orders of my office and this State for people to engage in social distancing, self-isolation and individual quarantine, and;

WHEREAS the use of solitary confinement is a counterproductive response to the virus because it increases health risks and reduces reporting of symptoms;

NOW THEREFORE I, [GOVERNOR], in accordance with the authority vested in me by the constitution and laws of the state of [STATE], and in particular [MORE SPECIFIC LEGAL CITATIONS, IF DESIRED] do hereby issue the following order to become effective immediately:

IT IS HEREBY ORDERED:

1. [STATE CORRECTIONS AND PAROLE AUTHORITIES]

- A. Pursuant to my powers to grant executive commutations and clemency under [CONSTITUTIONAL OR STATUTORY CITATIONS], my office will grant expedited commutations and temporary release of certain individuals to reduce the overall

population in state custodial facilities and to discharge individuals particularly vulnerable to mortality from the virus.

- B. The [STATE CORRECTIONS OR PAROLE AUTHORITY] shall immediately identify for my office all persons currently held in a state correctional facility who currently have 180 days or less of incarceration left to serve as of the date of this Order, for the purpose of this Office granting expedited review and presumptive commutation of the remainder of these individuals' carceral term, unless [STATE CORRECTIONS OR PAROLE AUTHORITY] determines commutation of a particular individual would pose a significant public safety risk.
- C. The [STATE CORRECTIONS OR PAROLE AUTHORITY] shall immediately identify for my office all persons currently held in a state correctional facilities as a result of revocation of parole or probation for technical violations, for the purpose of this Office granting expedited review and presumptive commutation of the remainder of these individuals' carceral term, unless [STATE CORRECTIONS OR PAROLE AUTHORITY] determines commutation of a particular individual would pose a significant public safety risk.
- D. The [STATE CORRECTIONS OR PAROLE AUTHORITY] shall also immediately identify for my office all people who are incarcerated who are currently parole-eligible or will be within 2 years of the date of this Order and who also meet one or more of the following conditions: (1) 55 years of age or older; (2) chronic respiratory disease; (3) cancer; (4) heart disease; (5) lung disease, (6) diabetes or (7) who are otherwise immuno-compromised ("vulnerable populations"). Effectively immediately and on a rolling basis through May 31, 2020, the files of these parole-eligible individuals should be sent to my office for an expedited review and a presumptive grant commuting the remainder of their carceral term, unless [STATE CORRECTIONS OR PAROLE AUTHORITY] determines commutation of a particular individual would pose a significant public safety risk.
- E. For all individuals released by commutation pursuant to this Order, I will issue legally binding commutation order(s), separate from this Order, to effectuate release.
- F. The [STATE CORRECTIONS OR PAROLE AUTHORITY] shall also immediately identify for my office all other people who are incarcerated, regardless of parole eligibility or date of release, identified above as "vulnerable populations." Effective immediately these individuals should be granted [MEDICAL FURLOUGH, TEMPORARY PAROLE, OR STATE NOMENCLATURE FOR SAME] by [STATE CORRECTIONS OR PAROLE AUTHORITY] until May 31, 2020, unless [STATE CORRECTIONS OR PAROLE AUTHORITY] determines temporary release of a particular individual would pose a significant public safety risk.

- G. Individuals released with commuted sentences pursuant to this Order will be discharged from custody subject only to parole, probation or other conditions of supervision, if any, as they would have received if they had completed the full remaining term of incarceration. Individuals granted temporary release under this Order will be subject to whatever conditions [STATE CORRECTIONS OR PAROLE AUTHORITY] deems appropriate to ensure public safety and their return to custody on May 31, 2020, provided such conditions shall comply with Section 1(H), below.
- H. All efforts will be made by [STATE CORRECTIONS OR PAROLE AUTHORITY] to ensure wraparound re-entry support in discharge planning for released individuals, provided that exceptions may be made to normal procedures consistent with the guiding imperative of this Order to release vulnerable populations from the states' custodial facilities and reduce overall populations as rapidly as safely possible.
- I. For all people under parole supervision, including people granted temporary release under this Order, until May 31, 2020, the [STATE PAROLE AUTHORITY] shall (1) cease all in-person check-ins, suspend check-in requirements or allow check-ins to occur by voice or video call; (2) suspend enforcement of any mobility-restricting supervision conditions that impede a person's ability to seek medical care or to support a dependent; and (3) suspend all issuance of detainers or other revocations that would result in incarceration for technical (crimeless) rule violations.
- J. All efforts will be made by [STATE CORRECTIONS AUTHORITY] to stop the use of solitary confinement and lockdowns related to the virus.

2. [STATE LAW ENFORCEMENT AGENCIES]

- A. Until May 31, 2020, the [STATE HIGHWAY PATROL AND OTHER STATE LAW ENFORCEMENT AGENCIES THAT MAKE ARRESTS] shall respond to legal violations through warnings, summonses, and citations. Officers shall cease making custodial arrests unless necessary to prevent an imminent and serious risk of bodily harm to another person. Arrests for misdemeanor offenses are prohibited for the duration of this order, and arrests for felony offenses must be individually approved by a supervisory official.
- B. Until May 31, 2020, the [STATE HIGHWAY PATROL AND OTHER STATE LAW ENFORCEMENT AGENCIES] shall be prohibited from making any custodial arrests of any person on an outstanding warrant for failing to appear for a court date or failing to pay a fine or fee related to a conviction.

3. [STATE JUDICIAL AGENCIES]

4. The [STATE JUDICIAL AGENCY/STATE CHIEF ADMINISTRATIVE LAW JUDGE] shall issue an order taking all steps possible within [STATE JUDICIAL AGENCIES AND OFFICERS] to accomplish the goals reducing intake into and the overall populations of custodial facilities, to include:
 - a. Directing individual judges overseeing criminal matters to take all steps possible to reduce the intake of people into state and local custodial settings, including setting [STATE NOMENCLATURE FOR RELEASE ON RECOGNIZANCE] for all non-felony offenses, and for felony offenses setting conditions of pretrial release that will not require any custodial detention, nor any in-person contact for community supervision, unless custodial detention is determined to be absolutely necessary to avoid an imminent and serious threat to public safety;
 - b. Establish judicial review and release processes for individuals in local custodial facilities where courts have suspended criminal processes.
 - c. Vacating existing failure to appear, failure to pay and any similar warrants for non-criminal or technical violations, and prohibiting the issuance of any new such warrants, from the date of the order through May 31, 2020.
 - d. Any and all other steps deemed necessary and effective by [STATE JUDICIAL AGENCY/STATE CHIEF ADMINISTRATIVE LAW JUDGE] to reduce the daily intake and the overall population of custodial facilities.

The provisions in this order may be terminated, extended or otherwise modified by issuance of additional Orders;

Nothing in this Order shall be construed in any way to restrict state or local authorities to order any lawful quarantine, isolation, or take any other lawful public health measure that exceeds or augments the actions in this Order;

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity against the State of [STATE] and its agencies, departments or any other person.

Nothing in this Order shall be construed to alter existing laws protecting the constitutional rights of defendants or the privacy of an individual's medical information.

I DIRECT that this Executive Order be filed with the [SECRETARY OF STATE] and that all State and Local Agencies cooperate in widespread publicity and notice of this Order.

IN WITNESS WHEREOF, I set my
hand and affix the seal of the

[STATE/CITY] this [DAY] of
[MONTH] of 2020.
