

LAW ENFORCEMENT ACTION PARTNERSHIP

ADVANCING JUSTICE AND PUBLIC SAFETY SOLUTIONS

Commissioner Michael Harrison Baltimore Police Department Baltimore, MD

Michael Harrison began his law enforcement career in 1991 as an officer with the New Orleans Police Department. In 1995, he became a detective in the Major Case Narcotics Section and served for three years until he was promoted to Sergeant for the Eighth Police District and the Public Integrity Bureau. In 2011, he was appointed Commander of the Special Investigations Division. His duties included managing the Narcotics, Vice, Criminal Intelligence, and Gang Enforcement units of the department. In 2012, he assumed command of the Seventh Police District and oversaw police services for eastern New Orleans. Under his leadership, the district saw crime reductions in both 2012 and 2013. In 2014, he was promoted to Superintendent. His commitment to police training and accountability led to the creation of Ethical Policing Is Courageous (E.P.I.C.), a peer intervention program meant to reinforce training and improve police-community relations.

In 2019, Harrison took up his current position as Commissioner of the Baltimore Police Department. He holds a B.A. in criminal justice from the University of Phoenix and a M.S. in criminal justice from Loyola University. He is a graduate of the School of Police Staff and Command, the Senior Management Institute for Police, and the Federal Bureau of Investigation (F.B.I.) National Executive Institute. He is a member of the International Association of Chiefs of Police, Major City Chiefs Association, the Police Executive Research Forum, and the National Organization of Black Law Enforcement Executives.

The Law Enforcement Action Partnership is a nonprofit organization composed of police, prosecutors, judges, and other criminal justice professionals who use their expertise to advance drug policy and criminal justice solutions that improve public safety. With 150 speakers across the United States, LEAP representatives reach millions of Americans each year through educational programs and media interviews..
