

# LAW ENFORCEMENT ACTION PARTNERSHIP

ADVANCING JUSTICE AND PUBLIC SAFETY SOLUTIONS

---

**Officer Bryan Rose (Fmr.)  
Irving Police Department, Texas  
Denver, CO**

Officer Bryan Rose began his law enforcement career with the Irving Police Department in 2000. As a patrol officer, he handled every type of call imaginable for the next several years.

During his tenure in law enforcement, Officer Rose attended multiple speciality trainings, including bike patrol, drug recognition and interdiction, and dashboard camera training. As his career progressed, he bore witness to the community effects of the War on Drugs and immigration policies that were beyond his control. As the second full-time DWI officer, Officer Rose spent a lot of time arresting people with Substance Use Disorders just to see them back on the streets the next day without having received any treatment for their substance use. He also realized how many people refused to report crime for fear of going to jail or being deported.

In 2003, Bryan Rose left policing to complete his Juris Doctorate from St. Mary's School of Law in 2007. He has received the Texas Super Lawyers' "Rising Star" award six times and has practiced law for more than 15 years as a partner at Stinson LLP. While Mr. Rose is no longer a police officer, his passion for the profession and its improvement remain.

---

The Law Enforcement Action Partnership is a nonprofit organization composed of police, prosecutors, judges, and other criminal justice professionals who use their expertise to advance drug policy and criminal justice solutions that improve public safety. With 200 speakers across the United States, LEAP representatives reach millions of Americans each year through educational programs and media interviews.
